**EMGA232045 Lambley Lane/Main Street Gas Mains Replacement**

Dear Gas Customer,

*English not your first language? To request a translation of this letter, call or email us.*

Network Plus on behalf of Cadent will soon be commencing works to replace a section of the gas main on Main Street and Lambley Lane.

To ensure you continue to receive a reliable gas supply, we are going to replace the old metallic pipes in your area with the yellow plastic pipes to provide you a safe, reliable, and future proof gas network for decades to come.

Prior to this we will be holding a drop-in session and would like to invite you to come along to have a chat with us about these works.

Our customer and engineering teams will be available on the Tuesday 16<sup>th</sup> May between 10am and 2pm to explain why and how these works are carried out. They will also answer any questions or queries you may have.

This drop-in session will be held on the car park at:

Burton Joyce CO-OP  
36 Main Street  
Burton Joyce  
NG14 5DZ

Look for our CADENT gazebo where our team will be waiting to welcome you.

Alternatively, you can call us on 0800 0903071. Our office is open from 8.00am to 8.00pm Monday to Friday, and from 9.00am to 4.00pm on Saturday.

You can also email us any time at [CustomerCareEM@cadentgas.com](mailto:CustomerCareEM@cadentgas.com)

Yours faithfully,

**The East Midlands Care Team**
